Global Industrial™ Steel Crowd Control Barrier, 8-1/2'L x 43"H, Flat Feet, Galvanized

★★★★★ (0)

Ships Same Day

Product Description

✓ Constructed from 16-gauge galvanized steel
✓ Tightly spaced uprights for increased protection and strength
✓ Weather and rust-resistant

Easily protect and guide pedestrians through high traffic areas with the Global Industrial™ Steel Crowd Control Barrier. Made from heavy-duty 16-gauge, all-welded steel, this safety

barrier is designed to temporarily manage crowds and enhance safety at festivals, sporting events, concerts, and other settings with heavy congestion. This unit features removable flat feet for clean stacking and space-efficient storage and shipping. Assembly Required.

- 0.5"D rails & 1"D frame
- Interlocking design for a more customizable security solution
- Feet are equipped with holes, allowing you to tie the barrier down if needed
