Ships within 1 Business Day

Product Description

✓ 18-gauge construction body for lasting durability
✓ Each shelf holds up to 350 lbs.
✓ 18-gauge shelf thickness

The Global Industrial™ Flammable Cabinet with manual close doors is a secure solution for flammable storage management at facilities, businesses, and other commercial

establishments. Constructed from heavy-duty steel, this cabinet securely stores sensitive items and similar supplies in need of flame protection. The unit is a standalone, single-door cabinet, making it perfect for any hallway, warehouse room, or other interior space. Built-in recessed handle and cylinder lock. No assembly required. Limited 1-Year Warranty.

Cabinet door will only latch when it is manually closed
Some states and municipalities may require self-closing doors on flammable safety cabinets; please review your local ordinances prior to purchasing

FM-approved
