Global Industrial™ Wall Mount Receiver

★★★★★ (0)

In Stock, Ships in 3-4 days

Product Description

The Global Industrial™ Wall Mount Receiver helps direct traffic in the right direction. Simply mount to the wall and connect any compatible retractable belt to help create points for blocking restricted areas, maintaining orderly traffic, and assisting in a variety of other crowd control methods. Suitable for any industrial or commercial settings where crowd traffic safely and social distance compliance is required. Easily ensure movement stays orderly, safe, and well-structured in your business. Compact design allows quick and simple setup.
