Product Description

The Global Industrial™ 5-Shelf High-Capacity Boltless Shelving is more than a solid deck shelving unit with an open-spaced design. This all-steel and adjustable boltless shelving solution is essential for storing heavy motors jigs, car parts, and other hefty equipment around your warehouse. Ideal for autobody shops, manufacturing plants and warehouses. The boltless design allows easy assembly and adjustability so you can easily store, set, and organize your inventory how you need. Smooth steel surface makes placement easy compared to wood or wire shelves - simply slide items on and off. Available in a wide

multitude of sizes. 1-Year Limited Warranty.

Features:

- Load capacities up to 3,250 lbs. per shelf
- Open shelving allows 4-way access for quick unloading and loading
- All-steel boltless design for easy set up and shelf adjustments
