Global Industrial™ 6' Steel Guard Rail with 6" Dia. Rebounding Bollards, Yellow

★★★★★ (0)

Ships Same Day

Product Description

✓ Impact-absorbing guard rail protects equipment and machinery
✓ Constructed to bounce-back preventing costly repairs
✓ Bright yellow finish for high visibility

This Global Industrial™ Steel Guard Rail with Rebounding Bollards kit has everything you need to protect equipment and personnel in warehouses and facilities. Made from heavy-

duty steel, this kit includes (2) 6"D rebounding bollard posts, (2) bases, (1) bracket kit, (1) 6' guard rail, and hardware for easy installation. Whether it's safeguarding machinery or preventing personnel accidents, this rebounding guard rail is built for long-lasting durability. Customize and extend your safety guard rail system by adding additional rebounding bollards and rails. 1-Year Limited Warranty.

- Designed to safely stop up to 5000 lbs. at 7.5 mph
- Rubber base to aid in rebounding absorption
- Bollard diameter: 6"
- Bollard height: 42"
- Guard Rail: 6'L x 37"H
