Global Industrial™ Portable Dehumidifier w/ Pump & WiFi, Energy Star, 40 Pint

★★★★★ (1)

In Stock, Ships in 3-4 days

Product Description

Standout Features:

✓ ENERGY STAR certified.
✓ Wi-Fi control permissible through downloadable mobile app.
✓ Automatic shut-off feature prevents condensate overflow and spillage caused by constant unit operation.
✓ Four integrated wheel casters provide quick mobile transportation if needed.

The Global Industrial™ Portable Dehumidifier is suitable for offices, cubicles, and other small industrial spaces that need a slim but sturdy humidity-fighting machine. It removes up to 40 pints of moisture from the air per day and has air outlets that are stationed vertically to allow for optimum airflow. In addition, the top panel has a digital touchpad with options such as a timer, fan speed adjustment, and more for making quick changes. This dehumidifier has a washable air filter for easy maintenance care. Pump is included. UL and cUL listed.

- Electronic keypad interface and LED display provide easy control and monitoring.
- Lights above icon symbols easily indicate which mode is currently active.
- Min Temp: 41°F.
- Max Temp: 89°F.
- Included SJT type plug.
- Keypad controls are: Filter Reset, Fan Speed Change, Increase Button, Pump Button, Decrease Button, Timer Button, and On/Off Button.
