★★★★★ (1)

Ships within 1 Business Day

Product Description

Kee Klamp® Fittings
SINGLE SOCKET TEE
No threading or welding or pipe required! Build strong rigid structures: railings, racks, awning frames, fencing and 1,001 other applications. Build your own rack, guard rails, tables, etc. Long lasting aluminum fittings are manufactured from high-grade aluminum silicon magnesium and provide lightweight corrosion resistant esthetic look. Set-screw carries a vertical ultimate load of up to 2000 lbs. Allen wrench is the only tool you need.
