Global Industrial™ Stand Smart Anti Fatigue Mat 3/4" Thick 2.5' x 1.5' Mosaic Steel

★★★★★ (0)

Ships Same Day

Product Description

These premium anti-fatigue mats makes standing more comfortable in every application. Ideal for standing desk applications in the office or warehouse. By suspending the body weight, mat effectively takes the impact off the spine, hips, legs, and feet. The 20-degree gradual beveled edge is guaranteed to never curl, and the non-slip top and bottom surfaces are easy to clean. This ¾" thick ergonomic solution provides consistent and comfortable support without compromising durability. **Made in the USA.**

Features:

- For use in dry work areas
- **Polyurethane Surface/Back**
- 100% Polyurethane design provides superior anti-fatigue properties that will not separate, bubble or delaminate
