Global Industrial™ Extra Long Workbench, 96 x 36", Adjustable Height, Birch Square Edge, Black

★★★★★ (36)

Ships within 1 Business Day

Product Description

A workman's dream bench. This solid, rugged top stands up to constant, heavy pounding. Hardwood is kiln dried, electronically glued, sanded to 1-1/2" thickness and has laminated edges. Finished with a penetrating mineral oil for a durable high quality appearance. 96" L benches include 3 leg frames for stability and reinforcement. Adjustable height legs feature removable duplex knockouts on front and rear for installation of either a hard wired electrical outlet or an optional plug-in outlet that easily screws into place with no wiring necessary. Steel parts are finished with scratch resistant black powder coat.

Bench stringer comes with mounting hardware to assemble legs to the bench top.

Leg height adjusts in 1-1/2" increments.
