Product Description

Enable greater control management for staff, employees, and clients throughout your facility. The Global Industrial® Magnetic Retractable Belt Barrier is designed with minimal space occupancy in mind, and attaches easily to wall surfaces. Once installed, business owners can easily mark off locations within their business to designate traffic, block off access, or isolate areas. Attach mount and belt end to any ferrous metallic surface.

Enlarged message on 15' nylon red belt reads: AUTHORIZED ACCESS ONLY.
