★★★★★ (25)

Ships Same Day

Product Description

✓ Max storage weight of 1500 lbs. per level
✓ Durable and adaptable storage for retail industrial and commercial spaces
✓ Open shelves are adjustable at 1 ½" increments
✓ Easy assembly-no bolts, nuts, or clips required

The Global Industrial™ 5 Shelf Heavy Duty Boltless Shelving Starter with Laminate Decking is designed to maximize your storage area. Various heights, widths, and depths

accommodate nearly every area of your facility. For use in retail, commercial, and industrial applications. Open design allows four side access providing maximum flexibility.

Easy set-up with snap-in components. No nuts, bolts, or clips required. Sturdy roll-formed steel framing provides maximum support. Double Rivet button stud construction locks perimeter beams into corner post forming a structurally secure joint, eliminating back and side sway. Each starter unit includes rugged 2 ¼" x 1 ½" 14 ga steel uprights that are punched on 1 ½" centers and double riveted horizontal beams that adjust vertically on 1 ½" increments. Chip resistant Gray baked enamel finish. Stain resistant, easy-to-clean melamine surface decking. Measures 1/2" thick with pre-cut square edging. White/Laminated.
