Ships within 1 Business Day

Product Description

Fluidmaster B6W72 Dishwasher Water Supply Connector, 72"L

Fluidmaster dishwasher water supply connectors are built to last. Made of a tough polymer core covered with braided stainless steel wire, these connectors exceed code requirements for durability. They also have a large inside diameter for higher flow capacity. The new kits

also come with a hose fitting that works on all the new dishwashers.

Includes dishwasher elbow(s)
Exceptional flexibility for fast, easy installation
Won't kink or crease, even in the tightest of spaces
Heavy-duty brass hex nuts are easy to grip and nickel plated for durability
Exceeds all code requirements for flexible water connectors
