Product Description

Standout Features:

✓ Magnetic mount for perfect placement.
✓ 180° dome design eliminates blind spots.
✓ Improve safety for driver, pedestrians, & facility.

The 9" Global Industrial™ Forklift Anti-Blind Spot Mirror has a domed design that provides a

full 180° range of visibility for the forklift operator that enhances safety for the driver, pedestrians, and the facility (including shelving racks, stacks of product, or walls). A magnetic base adheres to any ferrous metal surface and its adjustable arm enables any driver to place it exactly where they need it for optimal visibility, so they can easily check behind them and in their side blind spots before moving in reverse. Limited 1-Year Warranty.
