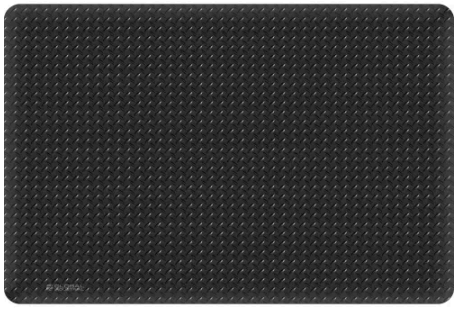
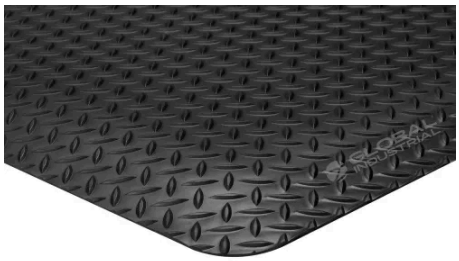
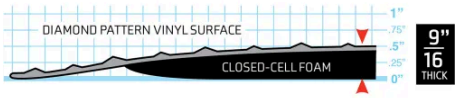
Global Industrial™ Diamond-Plate Anti Fatigue Mat, 9/16" Thick, 4'W x 75'L, Black

★★★★☆ (1)







Ships Same Day

Product Description

✓ Ergonomic and durable.
✓ Beveled edges provide safe transition from the floor to the mat.

Improve safety in your warehouse, distribution center, or assembly line with the Global Industrial™ Diamond-Plate Anti Fatigue Mat. Equipped with a chemical-and abrasion-resistant vinyl, the mat's durable diamond tread plate surface is slip-resistant for added

safety. The surface, bonded to a buoyant PVC sponge base, helps to relieve pressure off your feet and lower back when standing for long periods of time. 1-Year Limited Warranty.

- 9/16" thick mat reduces fatigue.
- For dry work spaces.
