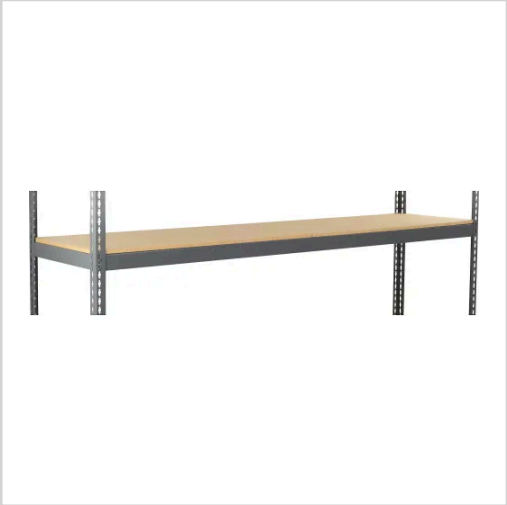
★★★★★ (2)



Ships Same Day

## Product Description

✓ Max storage weight of 1200 lbs. per level
✓ Durable and adaptable storage for retail industrial and commercial spaces
✓ Open shelves are adjustable at 1 ½" increments
✓ Easy assembly-no bolts, nuts, or clips required
✓ 96"W Double Rivet Channel Beams for extra support

The Global Industrial Heavy Duty Channel Boltless Shelving Additional Shelf, 96"W x 24"D,

Wood Deck is designed to maximize your storage area. For use in retail, commercial, and industrial applications. Open design allows four side access providing maximum flexibility.

Easily add an additional level with snap-in components. No nuts, bolts, or clips required. Sturdy roll-formed steel framing provides maximum support. Front-to-back supports help prevent beams from rotating when fully loaded. Double Rivet button stud construction locks perimeter beams into corner post forming a structurally secure joint, eliminating back and side sway. Chip resistant Gray baked enamel finish. Sturdy, smooth precut 5/8" thick particleboard provides a cost-effective solid decking.

* Particle board ships in two pieces
