Model: WB246646

Dyna-Glo™ Propane Convection Heater, 200000 BTU

★★★★★ (13)

Available on or around 11/29/2026

Product Description

This Dyna-Glo 200,000 BTU portable convection gas fired propane (LP) heater is designed to provide a consistent, long term solution for spaces up to 4,700 ft². Ideal for homeowner workshops or construction sites, and this convection heater will operate using a 100 lb. liquid propane tank (Tank Not Included), no electricity required for operation. 10'L Regulator and hose assembly included. Not for use in residential living areas or in inadequately ventilated areas. Proper ventilation required during operation.

Features:

- Continuously Variable BTU's

- 360-degree heat radius
- Inner Windshield
- 2-Piece Knockdown Burn Chamber
- Auto Safety Shutoff
- Large Sturdy Base Prevents Tipping
- 1-Hand Piezo Ignition
- 10'L Regulator and Hose Assembly included
- CSA Certified
- Runtimes for a 100 lbs tank 43 hrs at 50,000K, 18 hrs at 120,000K, and 11 hrs at 200,000K
