Models 82LA

Slit Coil C-Hook

Efficiency matters. And when you can move more than one slit coil at a time, crane operators save time and, therefore, money. Set them up for success with **Caldwell's Model 82LA**.

Product Features:

- Designed for heavy-duty applications
- Handles multiple slit coils which maximizes handling efficiency
- Recessed counterweight minimizes interference with equipment or other obstacles
- High-tensile alloy steel plate reduces physical size and weight
- Counterbalanced to hang level when empty
- Inside radius on hooks avoid coil edge contact
- Curved coil saddle is standard
- Guide handles for ease of hook positioning
- Available with optional padding for additional coil protection
- Complies with ASME standards

⚠WARNING **Center of the hoist and bail must be in-line with the load's center of gravity.**
