Product Description

High Capacity Boltless Rack with Steel Decking - Starter Unit
Horizontal beams are roll-formed to a Z-profile for added shelf capacity. Decking sits flush to beams for neater appearance and stability. 2-1/4" x 1 ½" x 14-gauge uprights. Boltless, interlocking beams with double teardrop postholes assemble quickly and without tools. Levels adjust at 1 ½" increments. Includes rust resistant galvanized steel decking for long life and a smooth, strong surface. Beams and Upright have a Gray baked enamel finish.

This **Starter Unit** includes 4 angle posts, 12 horizontal beams and decking.
