Product Description

Global Industrial™ Locker Benches provide convenient seating for locker rooms, gyms, saunas, rec rooms, and more. Locker bench tops are lightweight and made using high density polyethylene that is impact and corrosion resistant. Bench top consists of 1" thick HDPE top layer with commercial texture and 1/2" thick HDPE bottom layer fastened together with stainless steel fasteners. The bench top is not predrilled and all corners are rounded. The easy to clean tops are perfect for sanitary environments. Includes trapezoid stainless steel bench pedestals with 14"W base. Must be anchored to floor for maximum

stability.

Pedestals are to be replaced no more than 30" apart on center.
