Model: WB443431

Aigner Tri-Dex TR-1253 Slide-In Label Holder 1-1/4" x 3" for Stacking Bins, Price per Pack of 25

★★★★★ (2)

Ships Same Day

Product Description

Tri-Dex™ stacking bin label holders allow easy content identification for any plastic stacking bin. Clear label holders feature a tri-fold configuration to seal in labels for safe-keeping and clear, visible viewing of label. Label holders easily slide into molded-in label slots on **Stacking Bins** (sold separately) to protect labels or can be hung over hopper front on bins to provide label storage for bins without label slots. Made of clear PVC. No adhesive required. Sold in quantities of 25. Laser / Inkjet Sheets Included. Retro Fits Akro Mils 30224 and Quantum QUS224.
