Product Description

Plastic Storage Container - Attached Lid DC1813-15 18 x 13 x 15 Gray

This series of plastic shipping containers is the choice of much of the distribution industry. Manufactured from high grade-high density polyethylene plastic, the enhanced storage container is made to ship, store, and distribute goods and products in the toughest of environments. Raised lip edges allow secure stacking. The attached lid container saves money too while allowing empty containers to nest inside each other when not in use.

Molded grip handles have an integral hasp to accept cable ties for security. The **Best Value** plastic storage container offers durability –all at a great value.
