Global Industrial™ Extra Long Workbench, 96x30", Adjustable Height, Shop Top Square Edge, Black

★★★★★ (26)

Ships within 1 Business Day

Product Description

✓ Square-edge, non conductive, 1-1/2" shop top
✓ High weight capacity to handle most projects and tasks
✓ Adjustable-height, C-channel legs

One of the toughest industrial tops you'll find anywhere. Global's 1-1/2" Shop Top provides a

smooth, extra-strong, non-conductive work surface. Durable tempered hardboard bonded to a particleboard core built to withstand rugged treatment. Smooth hardwood edges resist moisture and won't warp or splinter. Adjustable height legs feature removable duplex knockouts on front and rear for installation of either a hard wired electrical outlet or an optional plug-in outlet that easily screws into place with no wiring necessary. Steel parts are undercoated to resist rust and finished with black powder coat for durability. Bench stringer comes with mounting hardware to assemble legs to the bench top.

Leg height adjusts in 1-1/2" increments.
