Ships within 1 Business Day

Product Description

✓ Max storage weight of 1400 lbs. per level
✓ Durable and adaptable storage for retail industrial and commercial spaces
✓ Open shelves are adjustable at 1 ½" increments
✓ Easy assembly-no bolts, nuts, or clips required

The Global Industrial 5 Shelf, Heavy Duty Boltless Shelving Starter with Wire Decking is

designed to maximize your storage area. Various heights, widths, and depths accommodate nearly every area of your facility. For use in retail, commercial, and industrial applications. Open design allows four side access providing maximum flexibility.

Easy set-up with snap-in components. No nuts, bolts, or clips required. Sturdy roll-formed steel framing provides maximum support. Double Rivet button stud construction locks perimeter beams into corner post forming a structurally secure joint, eliminating back and side sway. Each starter unit includes rugged 2 ¼" x 1 ½" 14 ga steel uprights that are punched on 1 ½" centers and double riveted horizontal beams that adjust vertically on 1 ½" increments. Chip resistant Gray baked enamel finish. Wire decking allows ventilation, visibility and light penetration. Sprinkler water passes throughout racks easily, improving fire safety and lowering insurance premiums.
