Global Industrial™ LED Sign Projector with Stop Lens

★★★★★ (0)

Ships Same Day

Product Description

✓ Easily mounts to ceilings or walls and provides stationary or rotational projection
✓ Includes projector, remote control, 5' power cord, & expansion screw
✓ Air cooling technology to prevent overheating

This Global Industrial™ LED Sign Projector is your solution to projecting safety signs on walls or floors when conventional signs won't adhere. Made for long-term use, this projector brightly displays safety and warning signs up to 82' in dark areas & 40' in brighter areas. It can easily be mounted to ceilings or walls and provides the option for rotational or stationary

projection. Ideal for warehouses and other industrial environments, this GOBO Projector is designed with workers' safety in mind. Limited 1-Year Warranty.

- For high traffic areas or damp environments, not for outdoor use
- Made from heavy-duty aluminum
- Includes one interchangeable STOP glass lens
