Global Industrial™ Infinity® 2-Tier 6 Door Locker, 36"W x 12"D x 78"H, Gray, Assembled

★★★★★ (14)

Usually ships in 3 to 6 days

Product Description

✓ Catch-free recessed handle provides comfort and safety
✓ Extra wide louvers promote ventilation
✓ Pre-assembled for quick and easy installation

Improve safety, security, and the overall aesthetic of your facility with the Global Industrial™ Infinity® 2-Tier 6 Door Locker. These quality lockers feature 16-gauge steel doors, a 5-knuckle security hinge and welded, reinforced frame-and-door assemblies. These lockers

are durable and attractive, feature finished sides, so there is no need for decorative end panels, and can be anchored securely to floors. The door handle and lift latch are recessed to create a smooth catch-free surface, and discourage the padlock from being cut off. Foot plates bolt to outside locker leg supports and maybe anchored to the floor. Anchors sold separately. 1-Year Limited Warranty.

Lockers have secure 3-point positive locking system, stainless steel door latch and one double and two single-prong coat hooks. **Includes blank number plates. Assembled lockers are not returnable.**

Optional locker accessories (Numbered Plates, Closed End Bases, Slope Top Kits and Locks) sold separately. Due to various layouts you may select, locker accessories ship in a separate box. Install Numbered Plate by simply removing the blank number plate.
