RIDGID® POWER-SPIN™ W MAXCORE™ Cable, 25'L x 1/4"W

★★★★★ (26)

Ships Same Day

Product Description

Features:

- Dual Powered Operation
- Quickly switch between drill or hand power.
- Can be used with any drill up to 500 RPMs. Kink-Resistant
- Equipped with a cable designed for drill powered operation.
- 25' of our toughest 1/4" cable lets you deliver more torque to the clog than previous model. AUTOFEED Trigger
- Clean Hands Operation - Avoid mess and minimize job site cleanup.

- Easily Feeds Cable - Squeeze the trigger and the cable feeds and retracts automatically as the drum turns.
