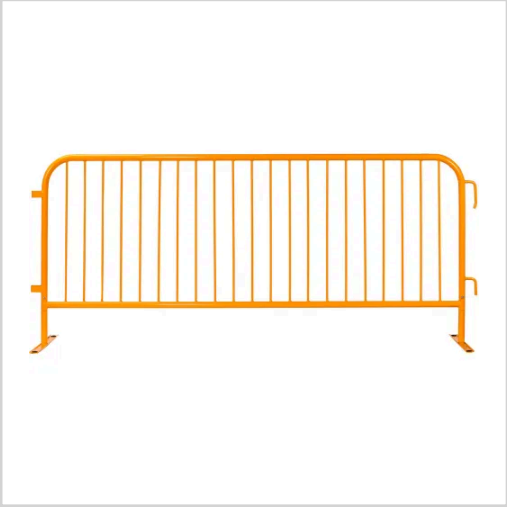
Global Industrial™ Steel Crowd Control Barrier, 8-1/2'L x 43"H, Flat Feet, Powder Coat Yellow

★★★★★ (0)



Ships Same Day

Product Description

✓ All-welded steel construction
✓ Tightly spaced uprights for increased protection and strength
✓ Powder coat yellow finish for high visibility

Easily protect and guide pedestrians through high traffic areas with the Global Industrial™ Steel Crowd Control Barrier. Made from heavy-duty 16-gauge, all-welded steel, this safety

barrier is designed to temporarily manage crowds and enhance safety at festivals, sporting events, concerts, and other settings with heavy congestion. This unit features flat feet for use on multiple surfaces such as tarmac and has a bright yellow powder coat finish for enhanced visibility. Assembly required.

- 0.5"D rails & 1"D frame
- Removable feet for clean-stacking & space-efficient storage
- Interlocking design for a more customizable security solution
- Feet are equipped with holes, allowing you to tie the barrier down if needed
