Global Industrial™ Easy Assembly Vented Wall Container - Drop Gate/Casters 39-1/4x31-1/2x34 OH

★★★★★ (5)

Ships Same Day

Product Description

✓ 17.5 cu. ft. and 600 lb capacity
✓ 4-way forklift entry points & casters for mobility
✓ Impact- & corrosion-resistant ventilated plastic

The 39-1/4" x 31-1/2" x 34" Global Industrial™ Easy-Assembly Vented Wall Container is designed to securely hold & ship products of all kinds. It is made of injection-molded plastic to provide strength and impact- & corrosion-resistance. Additional design features include

vented sides that promote airflow & allows sprinkler water to penetrate in the event of a fire, a 20"H drop gate for easier access to the interior for safer loading & unloading, and 4-way forklift access that makes moving it easier. This model comes with a caster kit, so it can be moved without a forklift. Limited 1-Year Warranty.

- Spring latches secure drop gate & automatically lock when closed
- Hinged drop gate fold flush against the container when open
- Label slot on side for easier content identification & inventory control
- Stackable up to 4 units high with feet installed
- Includes four casters, 2 rigid and 2 swivel with locks
- Optional lid available separately to add security
- Assembly required
