Product Description

Global Mailbox Pedestal In-Ground Mounted Black 48"H

The In-Ground Mounting Post is made of aluminum for long lasting durability and dependability. 48" in height and used to support a mailbox. 4 pre-drill holes on the top of post and mounting hardware to mailbox included. The In-Ground Post is typically buried about a foot in the ground and then secured with concrete. Features a durable black

powder-coated finish.
