Product Description

KNIPEX® 09 08 240 SBA High Leverage Combo Pliers Lineman NE Head 1000V Insulated 9-1/2" OAL

Features:

- Heavy duty, high transmission ratio for easy cutting
- All tools 100% tested and meet ASTM F1505 and IEC 60900 requirements
- High leverage design requires 40% less effort compared to conventional combination pliers

- Effective cross-hatched knurled gripping zone in the jaws - for strong gripping and pulling
- Additional serrated gripping zone below the articulated joint for powerful leverage
- With cutting edges for soft, hard and ACSR wire
