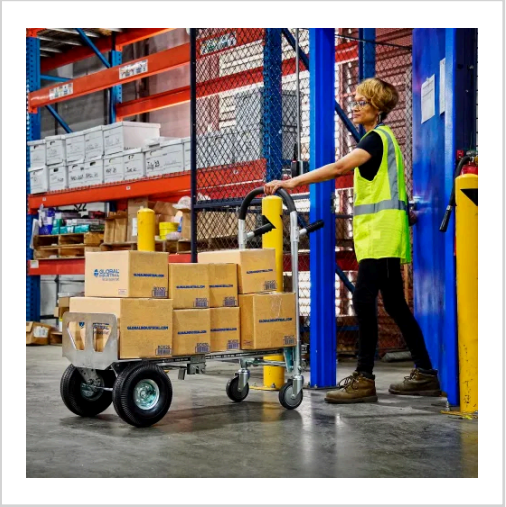
Global Industrial™ Junior Aluminum 2-in-1 Convertible Hand Truck With Pneumatic Wheels

★★★★½ (42)



Ships within 1 Business Day

Product Description

✓ Lightweight aluminum frame for long-lasting durability
✓ (2) Shock-absorbing 10" pneumatic wheels
✓ Can be used as a hand truck or platform truck

Make light of heavy loads with the Global Industrial™ 2-in-1 Convertible Hand Truck. Made from lightweight, high-strength aluminum, this dual-function truck has a spring-loaded auto-

release bar that instantly transforms it from a hand truck to a platform truck. When in the upright position, it rolls smoothly throughout your facility on 10-inch, fully pneumatic wheels. When used as a platform truck, two 5" non-marring, swivel casters unfold for easier steering. Its beveled nose plate makes loading and unloading easier than ever, while wheel guards protect cargo during use. Featuring a comfortable curved handle, as well as pin handles for added flexibility, this versatile hand truck is an ideal solution for warehouses, garden centers, manufacturing facilities, and more. Limited 2-Year Warranty.

- Hand truck weight capacity: 500 lbs.
- Platform truck weight capacity: 800 lbs.
- 18"W x 7-1/2"D nose plate
- Optional snap on deck installs easily to prevent items from falling between the truck's frames
