Global Industrial™ Air Impact Screwdriver, Clutch Drive, 1/4" Drive Size, 800 RPM

★★★★★ (0)

Ships Same Day

Product Description

✓ Sturdy and durable composite housing
✓ Adjustable clutch with thumb-engaged forward/reverse
✓ Slow 800 RPM with 160 in/lbs max torque

The Global Industrial™ 1/4' Drive Air Impact Screwdriver offers low vibration and high ergonomic comfort. Its spindle will not turn the motor until the operator exerts forward pressure on spindle to engage the clutch. When the fastener you are working on is tight, the

clutch will ratchet to prevent over-torquing.

- Slow 800 RPM provides easy control while helping to prevent damaging cam-out
