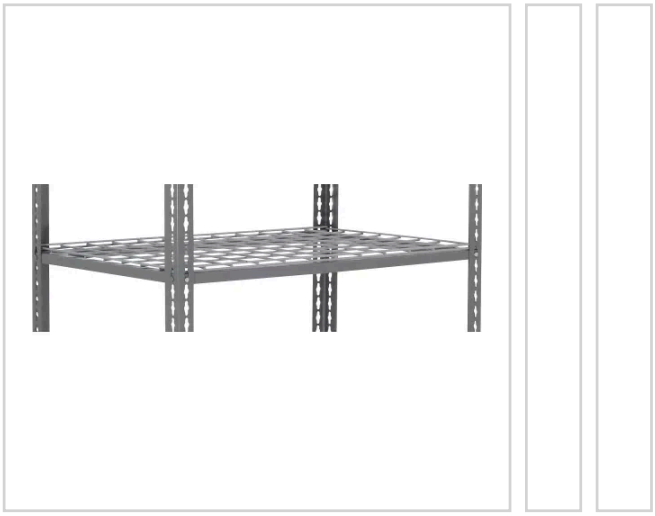
Global Industrial™ Commercial Duty Boltless Shelving Additional Shelf, 36"W x 24"D, Wire Deck

★★★★★ (0)



Ships within 1 Business Day

Product Description

✓ Max storage weight of 400 lbs. per level
✓ Durable and adaptable storage for retail industrial and commercial spaces
✓ Open shelves are adjustable at 1 ½" increments
✓ Easy assembly-no bolts, nuts, or clips required

Global Industrial™ Standard Duty Boltless Shelving Additional Shelf with Wire Decking is

designed to maximize your storage area. For use in retail, commercial, and industrial applications. Open design allows four side access providing maximum flexibility.

Easily add an additional level with snap-in components. No nuts, bolts, or clips required. Sturdy roll-formed steel framing provides maximum support. Single Rivet button stud construction locks perimeter beams into corner post forming a structurally secure joint. Chip resistant Gray baked enamel finish. Wire decking allows ventilation, visibility and light penetration. Sprinkler water passes throughout racks easily, improving fire safety and lowering insurance premiums.

Front-to-back supports help prevent beams from rotating when fully loaded.
