Product Description

Orbis Solid Color Flipak Tote - 22-3/10 X13X12-4/5" - Blue

Storage containers stack with lids closed and nest with lids open. Cut storage, order picking, distribution, and product loss costs with these durable, reusable ORBIS Solid-Color FliPak Totes. Partially filled containers will not collapse while stacked. Designed to optimize space on pallets and in trucks, trailers, and warehouses. Attached covers with solid metal hinge pin close tightly. High-strength injection-molded polyolefin construction offers maximum

product protection from impact, moisture, chemicals, vermin, etc.
