Global Industrial™ 24" Downrod For DC Industrial Ceiling Fan, Black

★★★★★ (2)

Ships within 1 Business Day

Product Description

Extend and enhance the reach and circulation rate of your Global Industrial™ fan. This 24" downrod secures and mounts the Global Industrial™ fan at a solid distance from the ceiling, making it ideal for warehouses and facilities with raised overhead interior surfaces. This down rod is specifically designed for Global Industrial™ 72", 96", and 108" industrial ceiling fans. Traditional black color finish compliments all compatible models. This rod connects to the Ceiling Fan Models: 293047, 293048, 293049.
