Product Description

✓ Versatile uses and easy setup
✓ Ideal for walkways and large areas to soak up leaks
✓ Will not rip under heavy use

Keep walkways and hallways dry with the Global Industrial™ Universal High-Traffic Sorbent Mat. Made of durable polypropylene needle punched fabric, this mat is a great option for high-traffic areas in warehouses, distribution centers, and various other work environments.

It will not rip, shred, or fray under heavy forklift traffic in your warehouse. It absorbs multiple industrial liquids including oils, water, solvents, coolants, and more. 1-Year Warranty.
