Product Description

Ventilated Wide Span Bulk Storage Lockers are made with a 3" x 3" x 1/4" thick wire mesh with gray epoxy finish to minimize dust accumulation and maximize visibility for simple inventory control. Lockers include one height-adjustable shelf with 100 lb. capacity evenly distributed. Shelf adjusts in 3" increments. Improved latch design to accept padlock. For enhanced security, install shelf at center position to allow use of included padlock. Double doors are welded to side panels and are flush against unit top. Door hinges swing open

270° for full access to interior. Easy assembly. Choose from a variety of sizes. Additional shelves sold separately.
