Ships Same Day

Product Description

Plano131252 Marine Emergency Box, Tough and functional dry boxes are great for tackle, tools, emergency supplies or anything else you might need to keep dry onboard. Built in the USA, these dry boxes feature a special tongue and groove lid to seal out moisture while the water-resistant, urethane O-ring seals secure the lid completely from water. An easy-to-access, top storage compartment allows you to store items you may need at a moment's notice while the over-molded handles with rubberized grips offer easy, comfortable carrying no matter how heavy the load. Features top access storage compartment. Convenient, over-molded carry handle. Heavy-duty, brass and bailed latch. Watertight and water

resistant O-ring seal.
