In Stock, Ships in 3-4 days

Product Description

✓ 14-gauge steel uprights & 12-gauge steel beams
✓ Supports up to 2,750 lbs. per shelf
✓ Uprights are cross-braced for added strength and rigidity

This 72"W Global Industrial™ Extra Heavy-Duty Bulk Storage Rack Starter Kit is a cost-effective solution for efficiently storing large equipment and bulk materials. Built for lasting durability, this unit includes (2) 14-gauge steel uprights that allow easy level adjustments at

2" increments, 12-gauge steel beams with (3) hooks at each end for a quick, positive connection, welded steel base plates, and safety pins for secure beam installation. This unit has (3) shelf levels, each of which is equipped with a rib-formed galvanized steel deck and has an impressive 2,750 lb. weight capacity. Designed to withstand rigorous use in demanding environments, this bulk storage rack is ideal for warehouses, manufacturing facilities, distribution centers, and more.

- 5/8" thick rib-formed steel deck features a galvanized finish
- Welded base plates anchor to the floor for added stability
- Beams attach to frame without the need for tools
