Product Description

Extra Large Nest and Stack Tote

Built for conveyor transport, storage and inventory control, these totes, made from FDA-approved industrial-grade polypropylene, have extra thick walls and reinforcing ribs to provide superior strength. Molded-in features include grooves for stable 90° stacking, side handles for comfortable lifting and a smooth surface that's easy to clean. Compatible with standard 36" shelving and conveyor systems. Sold 6 per carton. Lids sold separately.
