Adrian's Safety Solutions Rack Safety Strap For 108" Bay, J Hook Attachment, 1.06 lbs., Yellow

★★★★★ (0)

Ships within 1 Business Day

Product Description

This safety strap for pallet racking keeps palletized or shrink-wrapped items from pushing into the flue space or falling into an aisle. Attaches to the front or back of the rack without tools or retrofitting. The J-hook attachment fits structural and RediRack upright styles.
