

pewag Security Chain

pewag's Security Chain is all you need to keep any and everything you put under lock & key, safe and secure! Our new tapered square link design doesn't allow bolt cutters to get an adequate bite, coupled with a case-hardened exterior (62 HRC) and electro-galvanized finish,

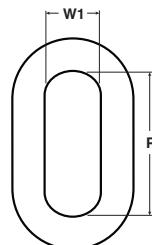

pewag's Security Chain is available in standard drum, cut foot, or Security Chain in-a-Box™.

pewag security chain profile

Design does not allow bolt cutters too get a good bite

pewag Viro PANZER Padlocks

Viro PANZER armored padlocks made in Italy are the ultimate lock for the ultimate chain! They have a solid brass body with a case-hardened steel deadbolt, main armor and side armor, and are chrome-plated for lasting durability. The rounded body resists attacks and multiple brass pins provide pick resistance!
