

## CAPTIVATING DESIGN MEETS **EXCEPTIONAL COMFORT**

For the wellness-seeker who wants it all, meet the **Human Touch® Gravis ZG Chair**. Gravis combines the therapeutic benefits of zero gravity seating with air massage technology, multi-zone heat and powered positioning for every part of the chair, including the headrest. Control the chair using the included remote, one-touch arm control sensors, or download the Gravis ZG app and access additional amazing features! With crisp, clean lines and innovative design, Gravis delivers both soothing, neutral posture pain relief and exceptional control of your seating comfort.

### FULLY ADJUSTABLE

Use the remote control to individually power-adjust the headrest, backrest and footrest for optimal support.

### TARGETED MASSAGE BENEFITS

Choose from Massage, Stretch, and Lumbar massage programs to soothe and relax your entire back.

### MULTIPLE HEAT ZONES

Select from three targeted heat zones on the back, seat, and leg areas that can be turned on separately, or simultaneously.

### ONE-STEP ZERO GRAVITY SEATING

Recline into the comfort of zero gravity with a simple press of the ZG button on the remote or press and hold of the front right-hand arm sensor.

### ONE-STEP TO RESTORE

To easily exit the chair, press and hold the Power button on the remote control or the rear right-hand arm sensor to restore the chair to the upright position with the footrest lowered.

### BATTERY BACKUP

The battery safety feature will restore the chair back to the upright position in case of a power outage.
