- Durable powder coat finish
- Accelerator™III Pelvic Drop
- ADA compliant

EB9060

Our ErgoBasic just got better...By adding the manual hydraulic pump elevation to this table, we have created a very affordable elevating adjusting table with a pelvic drop. Sleek, elegantly simple, yet still affordable, the ErgoBasic with Manual Pump Elevation offers a critical mix of adjusting features that is praised by many practitioners. A tilt adjustable face headpiece and Accelerator™III pelvic drop come standard.
