HEALING HUMANITY THROUGH TOUCH™

# ELLORA LX™

## ADA COMPLIANT, MULTI-PURPOSE Treatment Table

Designed for years of trouble-free commercial use, the ADA compliant Ellora LX™ features an extensive height range (18.75" – 37"), a luxurious, replaceable 4" (15cm) Strata™ memory foam cushioning system, a heavy-duty steel frame and a powerful ETL listed motor. Earthlite's craftspeople double-stitch upholster the replaceable, single piece mattress using Earthlite's ultra-durable Comfort-Flex™ upholstery with TriBond™ technology, which is 3x more durable than standard commercial grade fabrics. The versatile Ellora LX™ is available in a variety of top configurations and is the perfect choice for a wide range of wellness modalities, including massage, chiropractic, esthetics, physical therapy, tattoo, medi-spa, to name a few.
