EVEREST LX™

MULTI-PURPOSE TREATMENT TABLE

Why compromise? The new Everest LX™ offers a striking design, low height range, superior comfort and exceptional ergonomics. The distinctive single pedestal treatment table sports a striking chromed steel base and a low-profile frame. With an extra-low height range (18.75" – 32") and our 4" (10 cm) Strata™ memory foam mattress, no compromises are necessary. The replaceable Strata mattress is upholstered in our new, super durable (3x commercial grade) Comfort-Flex™ PU fabric with Tri-Bond™ technology. Offered in a variety of widths and fabric options in a flat, electric tilt and salon configurations.
