ELEMENT™ TROLLEY

VERSATILE SPA TREATMENT WORKSTATION

A versatile trolley that is as beautiful as it is functional. The Element Trolley has a laminate working surface that is easy to clean and maintain. The trolley anticipates the needs of spa therapists with a space saving slide out breadboard shelf that provides a convenient working surface. The hot towel cabinet recess comes complete with a single surge protected power strip for maximum access and flexibility. Complete with two generous supply drawers and quality casters for ease of movement, the Element is the best value in workstation trolleys on the market today.

Fits the Mini Hot Towel Cabi (shown) and Standard Hot Towel Cabi, both sold separately
