NUAGE™

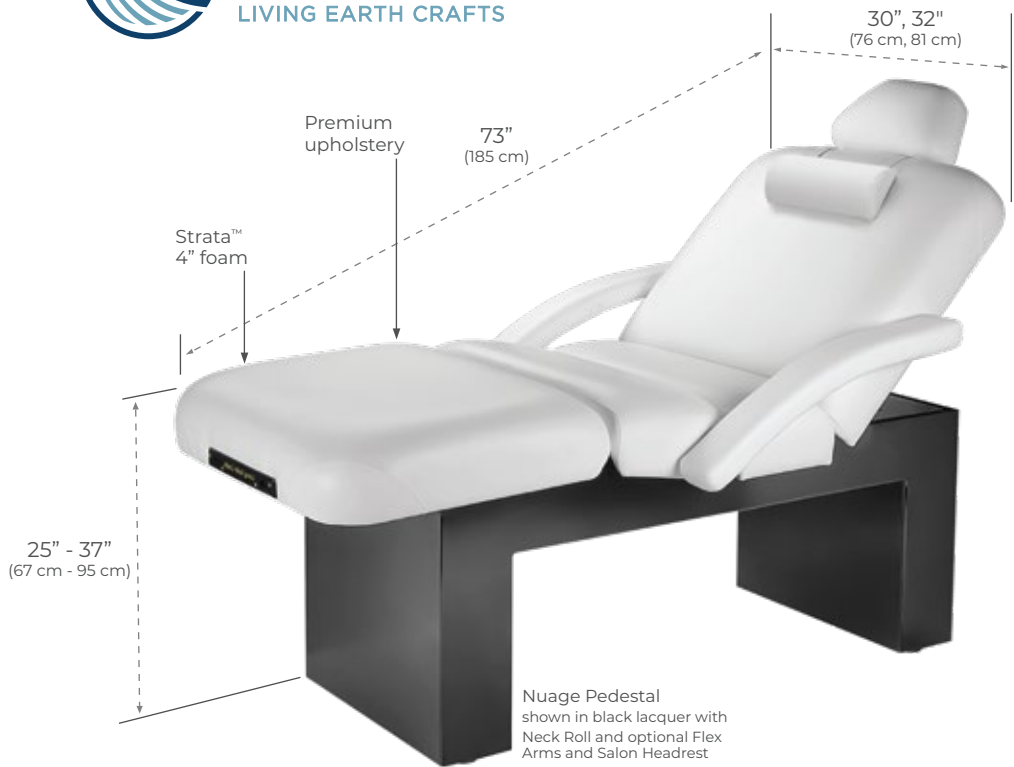

ALL ELECTRIC MULTI-PURPOSE TABLE

The Nuage™ features the industry's only programmable, all electric lift actuators with soft start, soft stop technology. LEC's master craftsmen hand upholster these tables with LEC's top-of-the-line proprietary Strata™ memory foam cushioning and supple Natursoft™ upholstery. Choose from a variety of hardwood cabinet styles, modern pedestal finishes and upholstery choices to complement the finest decors. LEC's Nuage collection also sports a full line of technological enhancement options to improve operational efficiency and client comfort.
