

bt-titan® MN model AE

ADVANCED SYSTEM

The bt-titan® MN allows for a highly controlled and precise treatment that is adapted to your clients exact skin needs and comfort. Unlike more invasive procedures, this quick treatment not only delivers marked results but is suitable for all skin tones. With minimum down time, bt-titan MN treatments are a great option for those with a busy lifestyle and schedule. Treat your clients to beautiful, luminous skin with the bt-titan MN.
