Visit studio.spatables.com and start to design your table today!

The Palas

Blending style and comfort, the PALAS is a low-height table with a functional and modern design that provides both the client and the operator with maximum comfort. The PALAS offers true spa treatment functionality with tilt feature that lowers sinus pressure and creates a zero gravity chair position with a 4 piece top.

Optional Patented ABC System (Adjustable Body Comfort) provides the ultimate spa experience.

Optional SoVi vibroacoustic system is designed to deliver all the latest forms of healing modalities via a very flexible integrated delivery system.

The tilt function that allows you to lower sinus pressure, making it possible for people to breath through their nose when lying face down.

Optional Fuzion heating system is embedded in the foam, creating a more even heat.
